

dave's picks

representing the handpicked cellar selections of wine director david gordon, 'dave's picks' is our enduring tradition of seeking out uniquely beautiful, ready to drink wines and offering them at sensible prices. the following selections spotlight less familiar vineyards, up-and-coming producers, or otherwise excellent values hailing from the regions that continue to articulate the focus and core identity of our wine program. we hope you find these artisan wines a diverse and delicious portal into our award winning cellar.

vintage spotlight

2003s - aging gracefully

A warm, dense vintage yielding wines of exceptional ripeness, opulence, and extraordinary texture, the 2003 California Cabernets are effortlessly entering their second decade in bottle. We feel that these gloriously rich, layered wines are the bottled essence of California sunshine and an ideal choice for cool weather drinking.

wines of the century

these wines are widely considered some of the greatest produced in the last 113 years. there certainly are others, but we believe the wines below are true legends and will certainly provide a rare tasting experience

j.-f. coche-dury, corton charlemagne grand cru, burgundy 2005 from the greatest white wine producer in burgundy, if not the world. this intense, mineral scented, and structured grand cru is from the rich, velvety 2005 vintage.	2200
château pétrus, bordeaux 1990 incredible power and longevity for a wine that is 100% merlot. just now approaching its window of drinkability, this will certainly age for 20-40 more years. the 1990 vintage is as great for petrus as 1961 or 1947.	4500
guigal, côte rôtie 'la mouline,' rhône 1989 la mouline is the most elegant and aromatic as well as the oldest of guigal's famed single vineyard côte rôties. it is one of the most singularly expressive wines in the world along with its sister sites, la landonne and la turque.	1130
domaine leroy, 'musigny' grand cru, burgundy 1949 the grand cru vineyard of musigny is considered one of the greatest vineyards in the world. it is remarkable for its elegance and finesse while still having the structure to age for 50-75 years. domaine leroy produced an outstanding wine in 1949, one of the greatest vintages of the first half-century.	4500
château latour, bordeaux 1961 the longest lived first growth in perhaps the greatest year of the century. will last for 20-30 more years, perhaps longer.	4500
château margaux, bordeaux 1900 (château bottled) the first vintage of the century produced a large crop of extraordinary quality. a wine of enormous ageability that is still pleasureable at 110 years old. the château still maintains that it is one of the greatest wines they have ever made.	9000
